

CME Accreditation

The use of the ATS/ERS statement on "Standards for the Diagnosis Management of Individuals with Alpha-1 Antitrypsin Deficiency" as a continuing medical education activity has been accredited by the American Thoracic Society (ATS). This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Thoracic Society and the Alpha-1 Foundation. The American Thoracic Society is accredited by the ACCME to provide continuing medical education for physicians.

The American Thoracic Society designates this educational activity for a maximum of 3 credit(s) toward the AMA Physician's Recognition Award.

Each Physician should claim only those credits that he/she spent in the activity.
